STATE BOARD OF DENTISTRY

IN THE MATTER OF THE SUSPENSION :  
OR REVOCATION OF THE LICENSE OF :      Administrative Action

:  
AUGUST C. WUILLERMIN, D.D.S. :      CONSENT ORDER

:  
TO PRACTICE DENTISTRY IN THE :  
STATE OF NEW JERSEY :

This matter was opened to the New Jersey State Board of Dentistry ("Board") upon receipt of a patient complaint from Eileen Sappie concerning dental treatment performed by the respondent consisting, in pertinent part, of the replacement of single unit crowns on teeth #7 to #11 with a five (5) unit splint, the removal of an old post build-up on tooth #7 and the replacement of a new prefabricated post and composite, the use of a single pin to build-up tooth #10 and root canal therapy, build-up and a single unit crown on tooth #12. The Board has reviewed the entire record in this matter consisting of the patient chart, x-rays and acquired further information at an investigative inquiry where respondent testified on November 16, 1994. It is alleged that there was no indication for splinting teeth #7-#11 in a peridontally healthy individual such as this patient and the placement of proper post and cores would have yielded adequate retention for this patient in violation of N.J.S.A. 45:1-21d. It is further alleged that respondent submitted claims to an insurance company on behalf of the

patient for a post and core procedure when respondent actually performed a different procedure and respondent failed to personally sign such insurance claim forms in violation of N.J.A.C. 13:30-8.10(b)2 and N.J.A.C. 13:30-8.10(d); and it appearing that the respondent desires to resolve this matter at this time without recourse to any further proceedings, and for good cause shown;

THEREFORE, IT IS ON THIS /5<sup>th</sup> DAY OF February, 1995,

HEREBY ORDERED AND AGREED THAT:

1. Respondent shall be assessed a civil penalty in the amount of Two Thousand Five Hundred (\$2,500) Dollars to be paid to the State of New Jersey. Payment shall be made by certified check to the State of New Jersey and shall be submitted to the State Board of Dentistry, 124 Halsey Street, 6th Floor, Newark, New Jersey, within thirty (30) days of the entry date of this Order.

2. Respondent shall restore to the patient, Eileen Sappie, the sum of Three Thousand and Ninety-Seven Dollars (\$3,097.00). Respondent shall forward to the Board a certified check or money order made payable to the patient, Eileen Sappie, within thirty (30) days of the entry date of this Order.

3. The respondent shall successfully complete fourteen (14) hours of continuing education in basic periodontics, seven (7) hours of continuing education in basic post and core, fourteen (14) hours of basic crown and bridge dentistry and seven (7) hours of radiograph interpretation for a total of forty-two hours of continuing education. These courses shall be approved by the Board in writing prior to attendance utilizing the attached Pre-Approval Sheet, and the courses must be completed by June 30, 1995. Respondent also shall be required

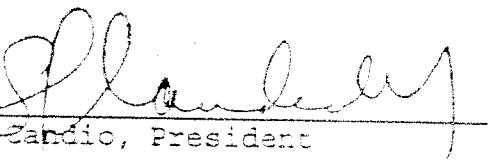

to complete the attached Continuing Education Report and Proof of Attendance as proof of successful completion of the required course work. The attached forms are made a part of the within Order, and a separate form is to be used for each course. The continuing education ordered herein shall be in addition to, and not a part of the mandatory continuing education required for licensees.

4. Respondent shall cease and desist from any and all misrepresentation, fraud, or deception in the submission of insurance claims on behalf of patients in any manner whatsoever. Respondent shall cease and desist from using a stamp in place of his personal signature when submitting to a claim to a third party payor.

5. Respondent shall pay the costs to the State for the investigative inquiry held on November 18, 1994. Upon receipt of a statement of the total costs from Agnes Clarke, Executive Director of the Board, respondent shall submit a certified check or money order to the Board in full payment of the costs within ten (10) days of his receipt of such statement.
